**Hole Diameter:**

Between 0.218 inches and 0.224 inches

**Overall Length:**

Between 3.005 inches and 3.045 inches

**Overall Width:**

0.468 inches

**Bolt Hole Quantity:**

2

**Construction:**

One-piece

**Special Features:**

Half moon shaped; larger hole 0.250 in. Dia

**Material:**

Steel comp 302

**Material Specification:**

Qq-s-766 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
