Cross-sectional Height:

Between 0.260 inches and 0.280 inches

Minor Height:

Between 0.080 inches and 0.100 inches

Special Features:

Right spacer

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
