Overall Length:

3.500 inches

Overall Width:

3.500 inches

Outside Corner Radius:

0.250 inches

Bolt Hole Quantity:

3

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 t351 federal specification single material response or qq-a-250/5 t351 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
