Overall Length:

13.000 inches

Overall Width:

1.937 inches

Inverted Radius:

Between 1.000 inches and 1.250 inches

Bolt Hole Quantity:

7

Material:

Copper alloy 624

Material Specification:

Sae assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
