Overall Length:

1.600 inches

Overall Width:

0.500 inches

Overall Thickness:

Between 0.032 inches and 0.038 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Surface Treatment:

Plastic

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
