**Overall Length:**

1.125 inches

**Overall Width:**

1.000 inches

**Special Features:**

2 smaller through holes 0.086-56 unc-2b along the width 0.375 in. Center to center distance between holes; 2 larger through holes 0.112-40 unc-2b along the lg 0.438 in. Center to center distance between holes; temper, t6

**Material:**

Aluminum alloy 6061

**Surface Treatment:**

Dichromate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
