Overall Length:

1.125 inches

Overall Width:

1.000 inches

Special Features:

2 smaller through holes 0.086-56 unc-2b along the width 0.375 in. Center to center distance between holes; 2 larger through holes 0.112-40 unc-2b along the lg 0.438 in. Center to center distance between holes; temper, t6

Material:

Aluminum alloy 6061

Surface Treatment:

Dichromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
