Overall Length:

2.450 inches

Overall Width:

1.130 inches

Lamination Quantity:

42

Lamination Thickness:

0.003 inches

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h39 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
