Overall Length:

12.000 inches

Overall Width:

7.500 inches

End Application:

2330-00-226-6080, m131a5c, 5000 gallon, 4 wheel, semitrailer, tank: fuel servicing

Material:

Aluminum alloy 5052 or aluminum alloy 5083

Material Specification:

Qq-a-250/8 federal specification single material response or qq-a-250/6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
