Overall Length:

1.000 inches

Overall Width:

0.940 inches

Bolt Hole Quantity:

1

Special Features:

Bolt hole centrally located along length

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t81 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
