Overall Length:
1.000 inches
Overall Width:
0.940 inches
Bolt Hole Quantity:
1
Special Features:
Bolt hole centrally located along length
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-250/4, t81 federal specification single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
