Hole Diameter:

0.234 inches

Bolt Hole Quantity:

2

Special Features:

Center slotted, 1.760 in. Lg

Material:

Steel comp 302

Material Specification:

Qq-s-766, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
