Overall Length:

7.000 inches

Overall Width:

2.380 inches

Special Features:

2 cutouts on 45 degrees angle, 1.000 in. Nom along width

Material:

Steel

Material Specification:

Astm a36 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
