Hole Diameter:

0.656 inches

Overall Length:

12.380 inches

Overall Width:

5.440 inches

Bolt Hole Quantity:

5

Special Features:

C shaped, wall thickness 1.250 in.

Material:

Steel comp 316

Material Specification:

Qq-s-766, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
