Hole Diameter:

Between 0.780 inches and 0.791 inches

Outside Diameter:

24.000 inches

Bolt Hole Quantity:

8

Material:

Steel comp 304

Material Specification:

Qq-s-766 cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
