Overall Length:

0.935 inches

Special Features:

dia-1.310 in., hex head dia-1.375 in., 6 equally spaced lockwires on hex head

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
