Overall Length:

2.750 inches

Overall Width:

1.000 inches

Special Features:

Rt end tapered 10 deg

Material:

Steel comp 304

Material Specification:

Astm a167 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
