

View Online at <https://aerobasegroup.com/nsn/5365-01-322-0857>

Overall Width:

0.550 inches

Special Features:

C shaped

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, t6 federal specification single material response or qq-a-200/8, t6511 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
