Overall Length:

0.880 inches

Overall Width:

0.620 inches

Special Features:

Two corners along length are cut off 0.060 and 0.160 in. Long

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
