Overall Length:

1.690 inches

Overall Width:

0.880 inches

Special Features:

Has one rounded corner w/0.500 in. Radius; has two pilot holes w/0.098 in. Diameter unequally spaced

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t5 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
