Hole Diameter:

Between 0.203 inches and 0.209 inches

Center To Center Distance Between Bolt Holes Along Length:

2.440 inches

Bolt Hole Quantity:

2

Features Provided:

Separable

Construction:

Laminated

Material:

Steel comp 302

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
