**Cross-sectional Height:**

0.196 inches

**Minor Height:**

0.098 inches

**Special Features:**

Uniquely shaped

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12, t7351 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
