Cross-sectional Height:

0.430 inches

Minor Height:

0.060 inches

End Application:

F-15 acft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, cond t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
