Overall Length:

2.450 inches

Overall Width:

0.780 inches

Special Features:

Has 2 elongated holes 0.200 x 0.300 in.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
