Overall Length:

5.300 inches

Overall Width:

0.900 inches

Overall Thickness:

Between 0.059 inches and 0.067 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/12, t6 federal specification single material response or qq-a-250/13, t6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
