Overall Length:
5.300 inches
Overall Width:
0.900 inches
Overall Thickness:
Between 0.059 inches and 0.067 inches
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-250/12, t6 federal specification single material response or qq-a-250/13, t6 federal specification single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
ΔΩ7000
