Overall Length:

5.800 inches

Overall Width:

1.200 inches

Overall Thickness:

Between 0.0295 inches and 0.0345 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response or qq-a-250/13 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
