Overall Length:
1.700 inches
Overall Width:
1.000 inches
Overall Thickness:
Between 0.0295 inches and 0.0345 inches
Material:
Aluminum alloy 7075
Material Specification:
Qq-a-250/12 federal specification single material response or qq-a-250/13 federal specification single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
