Overall Length:

4.500 inches

Overall Width:

0.800 inches

Overall Thickness:

Between 0.095 inches and 0.105 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response or qq-a-250/5 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
