Hole Diameter:

0.040 inches

Overall Length:

1.200 inches

Overall Width:

0.300 inches

Bolt Hole Quantity:

14

Special Features:

1 threaded holes at each end

Material:

Plastic polyamide

Material Specification:

L-p-410, 6/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
