Width Across Flats:

0.2500 inches

Overall Length:

1.0000 inches

Body Outside Diameter:

0.2500 inches

Body Inside Diameter:

0.164 inches

End Application:

Aircraft, b-1 bomber

Corner Shape:

Square all corners

Product Name:

Standoff, threaded, female

Special Features:

Internally threaded full lgt 0.164-32 unc-2b

Material:

Aluminum

Material Specification:

Astm b211 assn standard single material response

Style Designator:

Hexagon, plain, no outside flanges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A045a0
