Overall Length:

0.800 inches

Overall Width:

2.000 inches

Cross-sectional Height:

0.140 inches

Minor Height:

0.010 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/a federal specification single material response

Surface Treatment:

Chromate

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
