Overall Length:

0.700 inches

Overall Width:

0.680 inches

Overall Thickness:

0.090 inches

End Application:

F-15e

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, cond t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
