Overall Length:

1.600 inches

Overall Width:

0.850 inches

Overall Thickness:

0.004 inches

Construction:

One-piece

Material:

Steel comp 304

Material Specification:

Qq-s-766 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
