Nonmetallic Hardness Rating:

50.0 shore durometer d

Overall Length:

0.880 inches

Flange Diameter:

1.000 inches

Body Diameter:

0.653 inches

Center Hole Diameter:

0.510 inches

Flange Height:

0.180 inches

Design Type:

Single centrally located hole

Special Features:

Material is urethane

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0
