**Inside Diameter:**

Between 3.998 inches and 4.000 inches

**Outside Diameter:**

Between 4.297 inches and 4.300 inches

**Overall Thickness:**

Between 0.083 inches and 0.085 inches

**End Application:**

Lgm30g

**Special Features:**

Shield-spacer, inner

**Material:**

Steel comp 630

**Material Specification:**

Ams 5643 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
