

View Online at <https://aerobasegroup.com/nsn/5365-01-379-8404>

Special Features:

Outside diameter 1.0995 , countersunk hole 80 degrees diameter .635 min and .650 max

Material:

Steel

Material Specification:

Astm-a-108 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
