Overall Length:

22.000 inches

Overall Width:

18.000 inches

Overall Thickness:

0.033 inches

Lamination Quantity:

11

Lamination Thickness:

0.003 inches

Construction:

Laminated

Material:

Aluminum alloy 1100

Material Specification:

Qq-a-250/1 federal specification single material response

Style Designator:

Rectangular

Specification Data:

97499-120-098 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
