Overall Length:

1.500 inches

Overall Width:

1.100 inches

Overall Thickness:

0.042 inches

Lamination Quantity:

21

Lamination Thickness:

0.002 inches

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response or qq-a-250/1 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
