Overall Length:

2.406 inches

Overall Width:

1.000 inches

Overall Thickness:

0.050 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-a-8625 spec.
