Overall Width:

0.250 inches

Overall Length:

0.320 inches

Overall Thickness:

Between 0.113 inches and 0.137 inches

Special Features:

Has one slit on each side along width; each slit has a length of 0.123 inches and a width of 0.100 inches.

Material:

Plastic

Material Specification:

Nema pub/no li 1, grade fr-4, fungus resistant grade, natural color mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
