End Application:

F-15s acft

Product Name:

Plate assembly, retaining

Special Features:

Item consists of p/n 148003 plateretaining; p/n 148004 plate retaining; p/n 26638-0180 washer, retaininer; p/n 26673-0406 screw retainer and p/n 148005 encoding stud assembly

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Fed specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
