Inside Diameter:

Between 1.980 inches and 2.010 inches

Outside Diameter:

Between 2.543 inches and 2.553 inches

Overall Thickness:

Between 0.060 inches and 0.061 inches

End Application:

C-17 aircraft

Product Name:

Spacer

Material:

Steel comp 4340

Material Specification:

Ams 6415 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
