Overall Length:

0.875 inches

Overall Width:

0.500 inches

Overall Thickness:

0.062 inches

Construction:

One-piece

Special Features:

Centrally located hole diameter 0.3125

Material:

Stainless steel

Material Specification:

Qq-s-763 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
