Overall Thickness:

0.125 inches

Special Features:

Length 14.61, width 1.00 and 5 holes diameter 0.281 equally spaced

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
