Hole Diameter:

Between 0.218 inches and 0.225 inches

Overall Length:

Between 2.870 inches and 2.910 inches

Overall Thickness:

Between 0.760 inches and 0.770 inches

Bolt Hole Quantity:

3

Material:

Plastic polyamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
