Inside Diameter:

2.675 inches

Outside Diameter:

Between 3.204 inches and 3.208 inches

Overall Thickness:

0.424 inches

Material:

Steel

Material Specification:

Qq-s-763, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
