Overall Length:

0.714 inches

Overall Width:

1.250 inches

Special Features:

Two holes 0.125 dia; one hole 0.156 dia; one hole 0.172 dia

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, ty ii, cl 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-a-8625 spec.
