Overall Width:

0.250 inches

Overall Length:

3.043 inches

Special Features:

0.125 diameter x 0.090 dp both ends; break sharp edges 0.005 maximum both ends

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
