Overall Length:

1.900 inches

Overall Width:

1.000 inches

Cross-sectional Height:

Between 0.178 inches and 0.198 inches

Minor Height:

0.010 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, ty i cl i military specification single treatment response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-a-8625 spec.
